Presentation

The aim of this event is to bring together the best hip hop groups and dancers from France and Europe, to share the know-how of each and to allow the public to learn and be entertained with a show of quality.

To achieve our objectives, the event will be organised in the form of a "mini festival" with the following programme : Hip Hop Workshop with various famous dancers, as well as various stalls: photo, street wear, etc... the day will end with the C2P Contest between the best French or European dancers and groups.

After the results of the contest the DJ will rock the turntables for the audience to dance.

The next day, the program will be free with participants' interviews followed by an outing to the beach during the day.

Organising this event in the region of Var at Bormes-les-Mimosas allows us to make you discover more than the dance, but also the diversity and opportunities of this region.

To achieve this goal, the event will be organised in the form of a "mini festival".

On Saturday we will offer you:

- Hip Hop Workshops with different known dancers.
- Graffiti and DJ workshops (*pending*)
